

**LUPUS UK**  
youth

LUPUS UK's youth network aiming to:

- support young people impacted by lupus
- build a community of young people to meet others with lupus
- provide information on the reality of lupus in young people and families

# What we do

LUPUS  
UK

## Lupus Groups

We have groups to help you connect with other young people impacted by lupus

## Blogs

We are dedicated to sharing your stories of the reality of living with lupus through our blog

## Contributors

We provide a safe space for our contributors to feel empowered to share their experiences.

## Resources

We create resources beneficial to young people impacted by lupus and their families

## Events

We host a variety of events for young people impacted by lupus
